Wycombe lift title

By LANCE MASTERS

Wycombe 3, Leytonstone 0

WYCOMBE won the Rothman's Isthmian League championship and £1,640 in sponsorship money when they beat Leytonstone at Loakes Park yesterday in their last match.

Wycombe have now won the championship three times in the last four years under the shrewd guidance of manager Brian Lee.

Bishops Stortford's hopes of a league and Amateur Cup double have gone, though they could overtake Hendon to finish runners-up if they beat Walton on Wednesday.

Wycombe should have doubled their winning score against Leytonstone, but had to be content with a first-half goal by Holifield and two by Pritchard in the second period.

Unbeaten at home in the league this season, Wycombe's £1,640 windfall includes £440 in bonuses for winning 11 games by at least three goals. Their championship season contained only one booking—for shirt-pulling. There could be no better advert for the first season of Rothman's sponsorship.
